Education

UNSW Sydney Sep 2026 - Aug 2028 (expected)

Master of Information Technology

Changsha University of Science and Technology Sep 2021 - Jun 2025

Bachelor's Degree in Network Engineering

Professional Experience

ZA Bank Jul 2025 - Jul 2026

Mobile Application Developer - React Native

- Rebuilt the home and deposit screens for the app's upgrade from version 2.0 to 3.0, alongside ongoing deposit feature development.
- Designed and implemented a reusable wrapper to standardise cache-state handling, providing a common interface for subsequent cache-related features.
- Led client-side development for foreign exchange rate comparison and related currency exchange features.
- Developed shared components and contributed to state management and module decomposition.

DiDi Jun 2024 - Nov 2024

iOS Developer Intern, Driver Experience Team *Beijing, China*

- Independently implemented a late-passenger indicator in Objective-C, including business logic and layouts for different screen sizes.
- Contributed to notification-centre workflows for responsibility assessment and updates to driver and vehicle mismatch handling.
- Helped implement pickup-point change recommendations for pooled rides.
- Fixed a UI update defect that occurred when an in-app notification banner disappeared.

Technical Skills

Mobile development: React Native (primary); familiar with Flutter

Application architecture: MVVM, state management, caching, reusable components, module decomposition

Programming: TypeScript (primary); C/C++ (competitive programming)

English: IELTS 6.5

Selected Programming Awards

ICPC Macau Regional Contest | Bronze Medal, 2023

Lanqiao Cup, C/C++ Programming | National First Prize, 2023

Baidu Star, University Division | National Bronze Award, 2023
